AN ACT to amend Tennessee Code Annotated, Section 13-3-404, relative to the timeframe for approval of a plat.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 13-3-404, is amended by deleting the first sentence of subsection (a) in its entirety and by substituting instead the following:

The regional planning commission shall approve or disapprove a plat within sixty (60) days after the initial consideration of the plat by the regional planning commission meeting in a regularly scheduled session unless at the end of the sixty (60) day period there is a holiday or an unexpected interceding event that would close municipal or county government offices and thus affect the normal computation of the sixty (60) day period, in which case the plat shall be approved or disapproved after the interrupted sixty (60) day period at the next regularly scheduled meeting of the regional planning commission; otherwise, the plat shall be deemed approved and a certificate to that effect shall be issued by the commission on demand. The applicant for the commission's approval may waive the time requirement set in this subsection (a) and consent to an extension or extensions of the applicable time period. When a plat has been filed with the appropriate officials of the planning commission, the plat shall be placed on the agenda of the planning commission within thirty (30) days of the filing or the next regularly scheduled planning commission meeting after the thirty (30) day period. The applicant may waive the time frame requirement for the appearance of the plat on the agenda.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
